Manitoba Regulation 217 / 2006 – Workplace Safety and Health Regulation

Effective February 1, 2011, numerous changes were made to the Workplace Safety and Health Regulation. Parts of the regulation that have been updated include:

- ✓ Definitions and General Matters
- ✓ General Duties
- ✓ Workplace Safety and Health Committees and Representatives
- ✓ Personal Protective Equipment
- ✓ Cranes and Hoists
- ✓ Excavations and Tunnels

All employers need to be aware of the recent changes that affect their workplaces in order to properly educate their employees. The Construction Safety Association of Manitoba has amended editions of the Workplace Safety and Health Act and Regulation available for \$5.00 each. Please contact one of our offices to order: (204) 775-3171 (Winnipeg) or (204) 728-3456 (Brandon).

Companies with original versions of the Act and Regulation may pick up a hard copy of the legislation changes from either of the CSAM offices. Additional information is also available on the SAFE Manitoba website: www.safemanitoba.com.
