

CSAM's FIRST ANNUAL GOLF TOURNAMENT, held on Wednesday, August 19, was a HUGE success!

Thanks to all those who participated – we will see you next year!

Congratulations to Sturgeon Construction for winning first place!

Left to Right:

Construction Safety Officer (CSO) - Do YOU have what it takes??

Construction Safety Officers (CSO™) are individually recognized on a national level as having knowledge and competency in relation to construction safety. The CSO™ program combines both practical training and in-class fundamentals to ensure that the best candidates are out in the construction industry promoting a safe workplace – the best of the best!

A combination of formal training and 3 years practical field experience in the safety / construction industry is required for anyone wanting to become a CSO™. Upon completion and approval of training, eligible candidates can apply to write an exam to become a CSO™.

Compulsory Courses

- Principles of Safety Management
- Leadership for Safety Excellence
- Safety Auditor Training
(plus completion of an internal audit)
- WHMIS Train the Trainer
- Prime Contractor
- Safety Administration
- Claims Management
- First Aider I / CPR
- Confined Space Awareness

Elective Courses (2 required)

- Transportation of Dangerous Goods
- Legislation 101
- Level 1 Safety & Health Committee / Worker Safety Representative
- CD ROM Courses / Online Course
(2 online / CD ROM courses equal 1 elective course)

Additional Requirements

- Toolbox Talk Presentation
- Inspection of Jobsite
- Completion of Safety Audit
- Verification of three years construction / safety experience

The next CSO™ exam is scheduled for Monday, November 2 in Winnipeg and Brandon. Check out our website to register for upcoming training, or contact Marla (Winnipeg) at 775-3171 or Jennifer (Brandon) 728-3456 for more information.
