Are you interested in a forum for Safety Professionals? Would you like to help change the way Safety is perceived? Looking for a place to bring ideas and concerns?

Safety is everyone's business and pertains to *ALL workplaces* no matter what field you are in.

The Westman Association of Safety Professionals is an organization providing leadership in the promotion of safety, health and environmental issues in our communities and workplaces.

WASP provides an excellent forum for those involved in safety and safety-related issues, to network with other safety professional in the area with common or similar concerns and give those in attendance the opportunity to gather useful information from varying guest speakers.

If you would like to run for one of the positions or just be involved with WASP, join us Wednesday, January 21, 2015 at St. John's Ambulance Boardroom, 1570 – 18<sup>th</sup> Street, Brandon (South Entrance, 2<sup>nd</sup> Floor).
