### MEMORANDUM OF UNDERSTANDING

The Construction Safety Association of Manitoba (CSAM) and Made Safe agree that a company, assigned to Made Safe that is currently COR™ certified and an Associate Member of CSAM (as of June 1, 2017), retains the choice to be certified (using a single audit) under COR™, SAFE Work Certified by Made Safe Certification, or both.

When a company has successfully completed a COR™ audit with a Made Safe Element 'N', Made Safe will inform SAFE Work Manitoba that the company has passed certification and is eligible to be considered for the WCB rebate.

Both CSAM and Made Safe reserve the right to issue a certificate and letter of good standing to the company.
