Property Fire Inspections, Building Safety and Safety Systems

Presenter: Troy Lamerz

Troy currently holds the position of Fire Inspector/Fire Investigator for Brandon Fire and Emergency Services. He has been in the fire service for just over 25 years with two separate departments; Thompson, MB. and Brandon, MB.

He has held multiple positions throughout his career including:

- Firefighter/Paramedic,
- Acting Captain,
- Hazardous Materials Technician,
- Public Education Officer,
- Fire Inspector and
- Fire Investigator.

Currently, as a Fire Inspector, he examines all types of buildings and occupancies to identify any fire and life safety hazards and ensures that all fire codes are being met, while conducting property fire inspections.

Troy is also certified in determining the origin and cause of fires and explosions as a Fire Investigator.
