## 70604 WINDOW CLEANING

This classification is the smallest of all classifications assigned to CSAM. It represents less than a percentage point of Actual Payroll and consists of about 28 employers. Actual Payroll has remained steady at \$1.6M for 2020.

Approximately 28% of the payroll is safety certified. This industry sits comfortably in the 800% Risk Category.

Claims volumes are relatively low although this speaks to its overall size. In 2020, the industry did not incur a Severe Injury and was limited to (2) time loss claims.

Please refer to the cover page to identify the top (3) drivers of injuries. Given the low volume of claims Time Loss Injuries were used to identify trends.
