Manitoba Government Launches Five-Year Review of Workplace Safety and Health Act, Associated Regulations

The Manitoba government is launching a legislated five-year review of the Workplace Safety and Health Act and its three associated regulations – the Administrative Penalty Regulation, the Operation of Mines Regulation and the Workplace Safety and Health Regulation.

A Workplace Safety and Health Act review committee including labour, employer and technical representatives will review submissions and provide recommendations to the Manitoba government. The review will focus on strong protections that meet the needs of modern workplaces, improving consistency and ensuring requirements are clear and reasonable.

3. Round Table

4. Adjournment
