40109 INSTALLING DOORS AND WINDOWS

This Classification is quite small representing less than 1% of assigned payroll to CSAM. However, in 2021, it saw an overall increase in payroll of approximately 22% for a current total of \$23.7M.

Despite the significant increase in payroll, Severe Injuries have remained relatively flat (7) compared to the previous year (6). 31% of the payroll is safety certified and all (7) of the Severe Injuries took place in non certified work environments.

We refer you to the cover page to identify the applicable drivers of the Severe Injuries over the past 5 years.
