40203 ELECTRICAL CONTRACTING

This Classification is the 4th largest within the CSAM group of levied classifications. It continues to see payroll growth at \$64.4M in 2021, up from \$58M the previous year.

Electrical Contracting remains in the 125% Risk Category and the payroll is 70% COR[®] certified.

Electrical Contracting has shown a recent increase in Severe Injuries from (19) in 2020 to (30) in 2021 of which (21) of these happened in a safety certified work environment. This is a fairly significant increase despite the approximate 10% growth in payroll.

We refer you to the cover page to identify the top (3) drivers of Severe Injuries in the Electrical Contracting Industry. Given that Severe Injuries amount to more than 80% of claims costs they should continue to be the primary focus of any initiatives going forward.
