#### **40602 INSTALLING ELEVATORS**

This classification saw a small increase, 4% of Actual Payroll in 2022, now reported at \$15.2M. This represents less than 1% of levied Actual Payroll assigned to CSAM. Over 90% of the payroll is safety certified.

The classification did not have any Severe Injuries in 2022. It had a total of (2) Time Loss injuries down (1) from the previous year.

This classification currently resides in the 60% Risk Category, however, has shown recent claims costs trends more reflective of the 50% Risk Category.

Please refer to the cover page to identify the types and causes of injuries. However, due to very low claims volume, the data is reflective of (5) years of Time Loss injuries.
