## 50304 CABLE AND SATELLITE TV DISTRIBUTION

This classification is very specialized and is limited to less than 10 employers. It saw a small increase of Actual Payroll of 3% and now stands at \$73.3M. This classification currently does not partake in the Safety Certification Program.

In 2022, it saw a significant increase in Severe Injuries from (2) to (6). Time Loss injuries remained the same at (25).

This classification currently resides in the 40% Risk Category, however, has shown early signs of claims costs more reflective of the 50% Risk Category.

Please refer to the cover page to review the accumulated injury data. We normally track Severe Injuries over a (5) year time frame, however when injury data is low the data is reflective of Time Loss Injuries.
