NCSO® Designation Maintenance

The NCSO® designation must be verified every three (3) years. To maintain your NCSO® designation, you will be required to submit four pieces of documentation:

- Inspection/hazard assessment (current within a year, signed and clearly stating you are the one who conducted the inspection)
- Toolbox talk presentation (current within a year, signed and clearly stating you are the one who conducted the inspection)
- Registered auditor certificate (current) **or** COR®/SECOR® audit (current within one year)
- First aid certificate (current)
