40108 Drywall & Stucco Contracting

This classification has seen significant payroll growth this past year. From an Actual Payroll of \$68.5M in 2022 to a payroll of \$81.6M in 2023 or a 19% increase. Approximately 48% of this payroll is safety certified.

Despite the significant increase which would also be reflective in exposure hours, Severe Injuries dropped from (16) in 2022 to (12) in 2023. Time Loss Injuries also dropped from (57) to (47) in 2023.

This classification that has consistently shown incurred claims costs in the 300% Risk Category more recently has seen movement more reflective of the 250% Category.

Please refer to the cover page to identify the top (3) drivers of Severe Injuries.
