70302 Architects & Engineers

This classification saw significant payroll growth in 2023 of 9%. Actual Payroll increased from \$289M to \$316.7M. Approximately 39% of this payroll is Safety Certified.

For the past (2) years this classification has not had a Severe Injury. In 2023, Time Loss Injuries dropped from (9) to (8). It currently resides in the 15% Risk Category where it has been for many years.

Given the low volume of claims, the (5) year data history is based on Time Loss Injuries.

Sub-Group 703-02, Architects & Engineers Industry Sector 7: Service
