40602 Installing Elevators

Certainly one of the smallest levied classifications as payroll dropped to \$15.3M. Approximately 96% of this payroll is safety certified.

This classification had another successful year remaining injury free for 2 years in a row. The classification remains in the 60% Risk Category.

Please refer to the cover page to identify the types and causes of injuries. However, due to very low claims volumes the data is reflective of 5 years of Time Loss Injuries.
