40105 Painting & Decorating

In 2025, this classifications payroll has stabilized with a slight increase to $67.1 M. About 30% of this payroll is certified.

This classification continues to incur increases in Time Loss and more significantly Severe Injuries. Over the past 2 years it has gone from 8 Severe Injuries to 16. If this trend continues it will probably begin to show a trend in incurred claims costs. Currently it remains in the 200% Risk Category.

Please refer to the coverage page to identify the top 3 drivers of Severe Injuries in this classification.
