CSAM
CONSTRUCTION SAFETY ASSOCIATION OF MANITOBA

40108 Drywall & Stucco Contracting

This classification saw some stabilization of Actual Payroll, currently at $81.9 M representing a 2% increase. 47% of this payroll is safety certified.

The classification saw a slight decrease in Time Loss Injuries from 62 to 54 and a slight increase in Severe Injuries from 14 to 18.

The claims costs over the past number of years have shown consistent reduction as such, the classification will probably be moved from Risk Category 300% to 250% in the immediate future.

Please refer to the cover page to identify the top 3 drivers of Severe Injuries in the classification.
